

1. In this video I am explaining the history of International working women's day and relevance of word 'working' in it. Focussing on the demands of women about a century ago, asking for less working hour, better working conditions, equal pay and right to vote. In this Video renowned historian Uma Chakravarti, activist Kavita Krishnann and Kamla Bhasin also share their view on this day and women's movement in today's time.

6. In this video I interviewed delhi women on free metro and bus decision by Government. It was very evident that women coming from working class or lower middle class were happy about the decision as they will be able to save 2000-3000 in a month while women coming from upper middle class were not happy about the decision because it would add to more crowd. They were ready to give this amount for comfortable journey. In second video I explained this in panel discussion in Hum bhi Bharat with Arfa Khanum Sherwani.
